“ MaryAnn, I am so very sorry for your loss. You always meant so much to me and were so very kind to me when my mother passed away. I will never forget that. I wish there was something I could do for you during this time. Just know that I'm thinking of you and pray that you will find some kind of comfort. I am just so very, very sorry. “ Jennifer was a joy to work with at the Salvation Army. I could always count on her to make sure the clients' paperwork was filled out correctly. She was always so cheerful and just a delight to be around. I am so sorry for her loss.

“ Dear Aubrey and Chole you probably don't remember me but we spent time together when your Mom worked with me at Broyles. I am sorry for your loss and will be remembering you in my prayers. Love Ms. Beverly.

“ I knew Jennifer in high school. We were in band together and later we worked together at DQ. She was as hilarious as she was beautiful, and a million times smarter than most people knew. I have missed her for a long time, and to hear this news breaks my heart. Sending all my love and positive thoughts to her family. I'm glad she was in my life, even for a short time.

“ This saddens me to hear about Jennifer. We were childhood friends when she lived with her grandparents. She was very sweet. My heart goes out to family and prayers to all. Wendy (Barrett) Rhines
