“ Hazel, R.L. and Family- We are so sorry to hear about your loss of Larry. Randy had told me that Larry had been saying he wished God would come on and take him to heaven, because when he got there, he was really going to be rejoicing. I bet Cosby was shouting when she saw him at the pearly gates. When we lose a loved one, that is the hardest journey you have to go on, and it hurts so bad in our hearts. The only way to survive such a loss is to know that you will be reunited with them one day in heaven. Tell the boys, Linda, his children and grandchildren that you all are in our prayers and thoughts. If we can do anything, please let us know. You all are family and We love you all, Sharon Shipley, Carolyn Cunningham and Barbara Harkleroad
