“ Cousin Vicky was always a pleasant, wonderful and fun part of my life growing up around a loving and close family. She always had a smile on her face and was always laughing and having fun. She was loved by so many and will forever be missed until we get to see her again with our Lord.

To My Sister...  
By Allison Chambers Coxsey  
I'm blessed to call you sister,  
I also call you friend;  
You've loved me unconditionally,  
And stood through thick and thin.  
You've shared my joys and sorrows,  
My laughter and my tears.  
You've been my inspiration,  
As we grew up through the years.  
When we were little children  
We laughed and played together;  
Then growing up you stood by me,  
Through good and stormy weather.  
There's something God has given us,  
That's more than family;  
He's placed a love for you, my Sister,  
Deep down in the heart of me.

Terry Justin and Jordan just want to let each of you know what a treasure I was blessed With meeting all of you so many years ago. I loved sitting on the bench with Vicky cheering on the kids at baseball and then hanging out at the ball field for hours just for the heck of it. I also remember the time Terry allowed Vicky and me with his team --- lol is all I can say -- we both almost went to jail that day! Most of all I know she loved Terry and her Boys till death!!!!

I hadn't seen Vickie since we were little girls. We were best friends, went to school together, played together and I spent many nights at her home. Life happened and we lost touch, though I never forgot her. I was saddened to read of her passing. Though I'm sure that the family doesn't remember me, Mrs. Bowers, Kathy and Patty, I'm so very sorry for your loss, as well as to the rest of her family and friends. I remember Vickie being happy all the time, fun as well as funny and for many years, she was my best friend. Prayers for all her family. I've no doubt, heaven has gained an angel.

“ I hadn't seen or spoken with Vicky and many many years. Being best friends since the 4th grade at University School Vicky and I were joined at the hip through most of our lives. She was the matron of honor in my wedding and I dearly loved her, Terry, and the boys! I feel so horrible but just learned of her passing this week. I have not had internet and it seems no one saw fit to give me a phone call. I'd like Terry and the kids to know how much I hurt for you. I love all of you dearly and I know how it feels to lose someone you love so very much! Our falling out should have long ago been corrected but hopefully she and I will meet again and act as we did Junior High, be silly, smile and embrace. I'd just like you all to know I do love you. I would have been there for you had I known. A loss like this leaves a void that cannot be filled. And I'm just so very very sorry! Please forgive me for what seemed like my total lack of respect for that is not at all the case! Feel free to get in touch anytime. Much love,  
Mary McNeil
